FOREWORD

Seeking truth we dwelt here to arm ourselves for life;
Finding hope we grew here to brace ourselves for strife;
We had our times of gladness, of winning and of cheer;
We had our days of sadness, of losing and of fear.
Yet at last we conquered and cried our victory;
Yet at last we finished and hastened to be free.
Entering the lifestream, each his separate way,
We find our lives most difficult, longing for the days
Of school that ever haunt us, fading not away.
Gone are our footsteps, treading down her hallowed halls;
Gone are our voices, ringing through her hollowed walls.
Though we ever wander to places near and far,
Though we ever wonder or seek upon a star,
The joy shall never leave us, nor the knowledge gained,
While yet we hold the spirit, the echoes that remained.

For herein lies the secret, herein lies the goal:
The heart of Jamestown High School lives on within our soul.

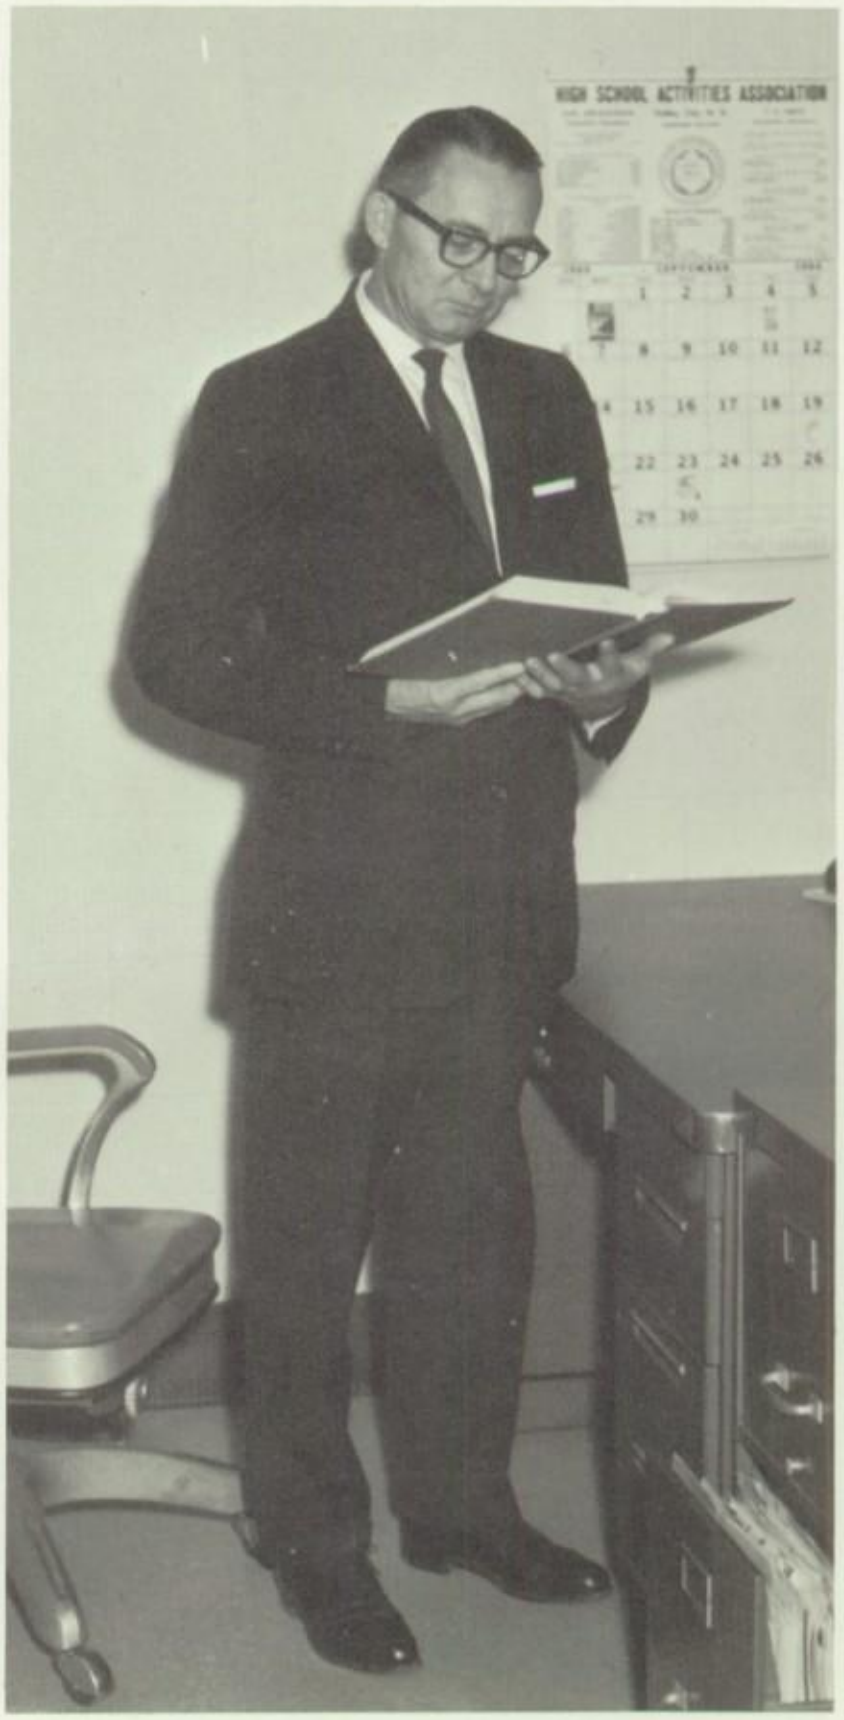
FACULTY AND ADMINISTRATION

ADMIN

CO-ORDINATOR ALBERT GULLIKSON has many duties including working with the teachers in special instruction programs, orientating new elementary and secondary teachers, and selecting new text books. He also aids in curricular studies and directs the testing program and the audio-visual program. Mr. Gullikson's familiar face is often seen in the school book store which he oversees.



SUPERINTENDENT WILLIAM S. GUSSNER has been the administrator of Jamestown Public Schools for twenty-five years. Before he became superintendent, he was the Senior High School Principal for two years and for eight years, he taught natural science and coached. His jobs range from supervising the program of the schools to watching us practice fire drills.

ISTRATION

JUNIOR HIGH SCHOOL PRINCIPAL ROBERT MOFFIT supervises 318 ninth graders, 288 eighth graders and 314 seventh graders. One of his largest concerns is helping the freshmen determine the course of study they wish to follow throughout high school. He also patrols halls, makes out excuse blanks, and listens to numerous problems.

SENIOR HIGH SCHOOL PRINCIPAL VIRGIL BUCHHOLTZ must keep numerous records, hold staff and student meetings, co-ordinate the extra-curricular program and make announcements on the intercom. Although he is one of the busiest men at the school, he is never too busy to give needed advice or a friendly smile. Prior to being named principal four years ago, Mr. Buchholtz taught school for twelve years. This year there are 235 seniors, 295 juniors, 315 sophomores to look after.

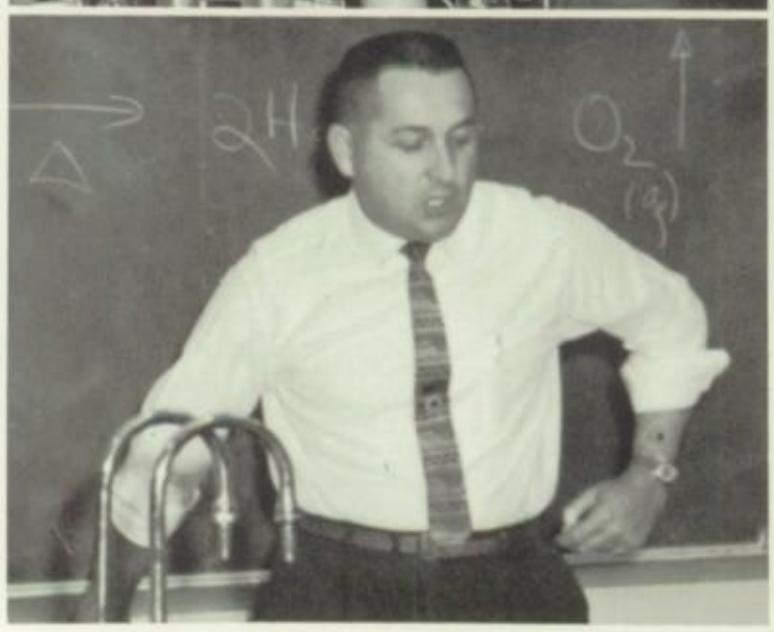
MR. CHRISTENSEN, who teaches biology, attended Moorhead State College where he majored in biology and social studies, and minored in chemistry and geography. When did he graduate? "Well," he mused, "let me see... it was quite a while ago."

He furthered his education at NDSU and has now taught ten years. His favorite college subject... "Biology, naturally--but I like chemistry, too."

MISS MOHS helps students in their study of plants and animals. She has attended summer sessions to further her knowledge of biology.

MR. BARRON, a graduate of Jamestown College and U.N.D., has been teaching here for thirteen years. His Master's Degree in teaching and summer courses at Sanford put him in good stead for teaching chemistry and physics. Many are the students that leave his classes prepared for college studies. ECNEICS and Science Fairs have filled much of his spare time.

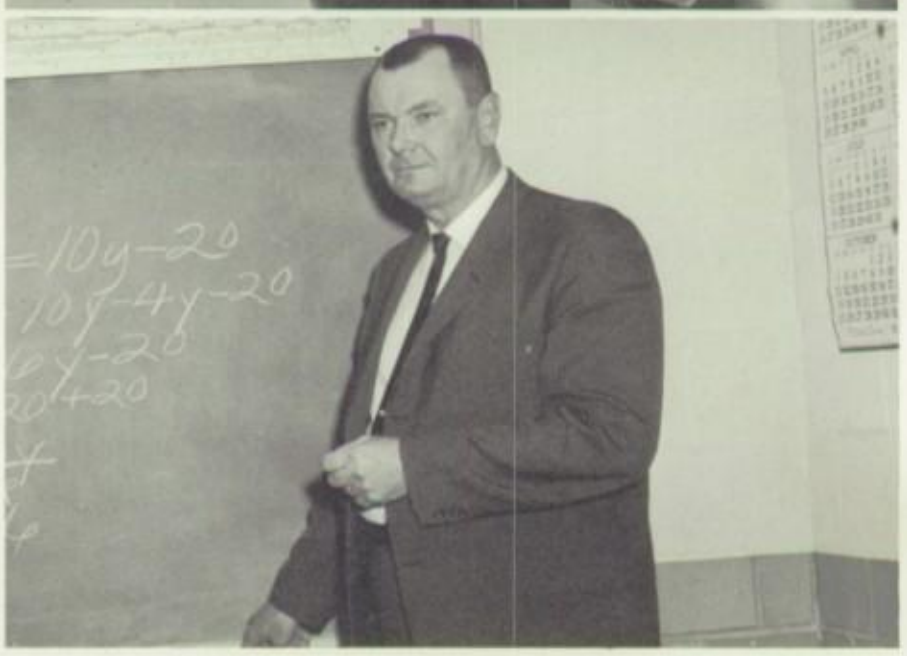


MR. WHITE, who also teaches ninth grade science, started teaching senior high chemistry this year. Since he has always been interested in chemistry, this is not the first time he has taught the subject. Mr. White attended Jamestown College, where he got his Bachelor's Degree, and the University of South Dakota where he earned his Master's.

MATHEMATICS

MR. IRGENS, who is in his first year of teaching geometry and algebra, was a naval aviator for many years until his retirement in 1961.

After graduating from NDSU in 1940, he attended the University of Minnesota. When asked what he thought of teaching, he replied, "I'm too new to say-- I'm just learning myself, but it's very, very interesting."



MR. PETERSON is a graduate of Jamestown College with a major in sociology and a minor in math. He has taught at Jamestown for two years. He is interested in all sports, especially bowling.

MISS MIKKELSEN, teaches Algebra II and Math IV. She has taught everything from first grade arithmetic to plane geometry and Math IV. "Because they're old enough to know that they're expected to do a little work," she prefers juniors and seniors.

Concerning teaching, Miss Mikkelsen says, "I like it, or I wouldn't be doing it. There's a satisfaction in seeing students try hard and do well."

MR. BANTTARI, who first started teaching in a one room school when he was eighteen, teaches geometry and Algebra I.

When asked what he like most about teaching, he said, "the teacher-pupil relationship." "When students are willing to learn and are participants in the classroom function, there is a feeling of satisfaction."

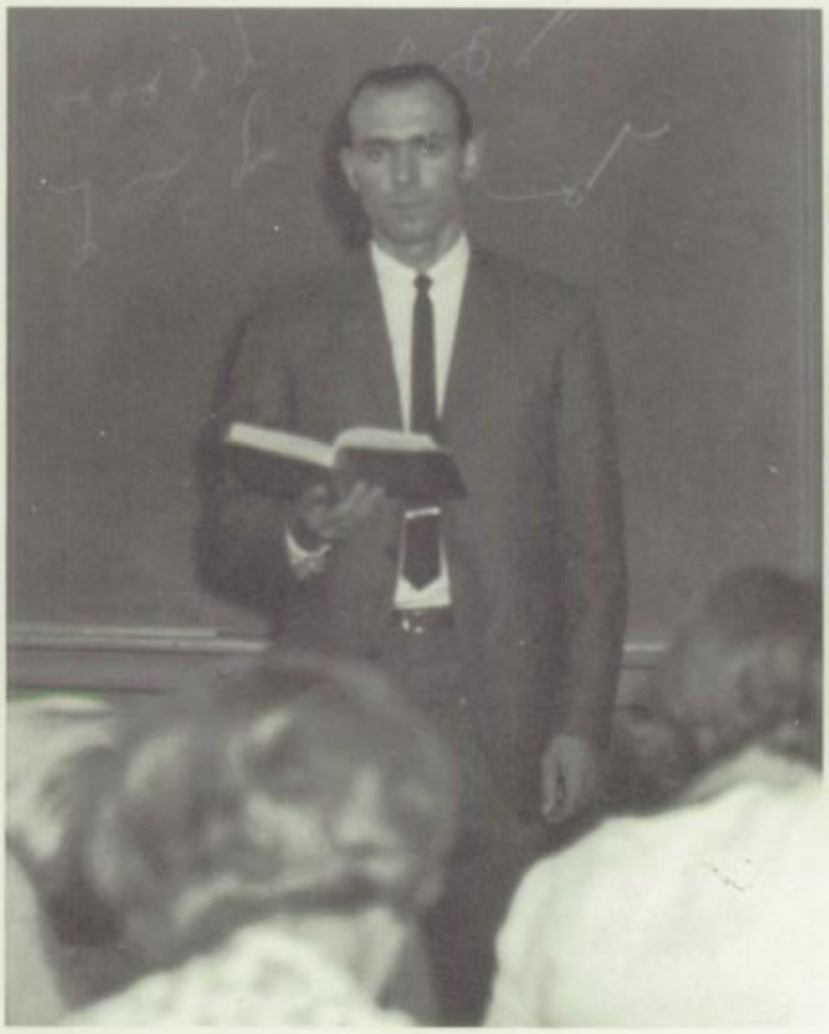
There is, however, something that bothers Mr. Banttari, and that is "the lack of attention." So pay attention, students!

At J. H. S. students have a choice of three foreign languages. Here MRS. ELFRIEDE ANDERSON watches students of one of the three years of German she teaches.

LANGUAGES

MRS. FRANCES NICHOLS, who recently spent a summer in Europe improving her French, instructs two years of French and Latin I.

Latin I and II are taught by MR. WILLIAM FOX who received his Master's Degree from the Catholic University in Washington, D.C.



MR. AUNE, a graduate of Valley City State Teachers College, teaches Shorthand I, and typing, and Distributive Education I.

HEALTH:

Health is a state of complete physical, mental and social well-being and not merely the absence of disease.

The enjoyment of health is one of the fundamental rights of every human being without distinction of race, religion, political belief, economic or social condition.

Your success depends on your health.

Boys' Physical Education is under the direction of MR. GATES and MR. BROOKSHIRE. The program includes concentration on physical fitness tests, and the preparation of the male student's body for the Physical Fitness Exhibition in March.

PHYSICAL EDUCATION

GIRLS' PHYSICAL EDUCATION:

Miss Paulson believes a healthy body makes a woman look better and feel better. In addition to serving as the girls' physical education teacher, she directs many extra activities; these include: GAA, balance beam, parallel bars, drill team, free exercise, tumbling, trampoline, and cheerleading. At the end of October there were volley ball tournaments between the different girls' physical education classes. The winning team was the "Anonymous".

Here is a favorite quote of MISS DeSCHNEAU'S:

"Give me the room whose every nook is dedicated to a book." by Frank Dempster Sherman.

DRIVER'S EDUCATION

GUIDANCE

"People drive as they live. As a result some will not drive or live long," says MR. SMITH. Driver's Education seeks to make living drivers out of our students.

GUIDANCE

"In order to love life, one must live life; in order to live life, one must love life." (from OUR TOWN by Thornton Wilder). This quotation, reflecting MR. MAWBY'S philosophy of life, is the theme which begins and ends every guidance class.

BAND: MR. ULMER attended the Ellendale State Teacher's College. He took his graduate work at the University of Pittsburgh in Pittsburgh, Pennsylvania, and the University of Colorado in Boulder, Colorado. He has a Master's degree in Music Education. He has taught twenty-two years, seventeen of these at Jamestown. He enjoys teaching very much. He gets great enjoyment out of watching young people develop into young men and women.

MUSIC

In addition to directing the Concert Choir, he has a U.S. history class and a Trinity Lutheran Choir. Before coming to Jamestown, he taught in Cando, North Dakota. One, two, three, Shame! was one of the most familiar phrases heard by the band members of Jamestown High School. The band, under the direction of Mr. Karl Ulmer and composed of 57 members, participated in the "Our Land of Wheat" pageant given in November. The band also worked on a performance honoring the faculty during half-time at the J-Day game.

The annual band concert was held March 21. The district music festival, held in Valley City this year, was April 10.

The Lions and the Tigers were the names of the two pep bands which alternated at the basketball games this year.

Linda was too soft, Kit sang too loudly. Meredith was off key--this was a trio?! Despite these and other obstacles such as Petey's lateness, making up their own parts, getting blisters from cramming to learn guitar parts, "borrowing" songs from record albums, and many more, these three girls sang their way through P.T.A. meetings, concerts, talent nights, civic club meetings and hootenannies. But it was worth every tedious moment when they successfully finished a performance with a smile and a sigh.

OUR LAND OF WHEAT

To commemorate the 75th year of statheood, J.H.S. presented "Our Land Of Wheat". It was performed in six main scenes featuring a typical pioneer family, the Ben Johnsons. The scenes featured a review of North Dakota's history and a peek into the future of our state. The freshness of spring and planting-time, the lazy heat of summer, and the moods of crop harvesting and the threshing were re-enacted. As an opening overature, the band gave the premier performance of a composition by David Rich, a J.H S. alumnus. "Glorious is the Land", presented by a combined choir and band, was a fitting end to this pageant on our state. The success of the production was entirely due to Miss Paulson, Mr. Swanson, Mr. Ulmer, and Mr. Banttari.

Susan and Calvin agree that in the "Summer-time the living is easy."

Early Dakotans, Claryce and Allen, also had fun!

JAYS SKUNK RIVAL VALLEY

Led by tri-captains Cliff Powers, Tom Edgekoski, and Bob Docktor, the 1964 Blue Jay football team battled to a season record of two wins and five losses. Playing as independents, the Blue Jays fought some of the toughest teams in the state, including two conference champions, in well-contested games.

Head coach Ernie Gates and assistant coaches Del Boss, Gordon Riffe, and Wes Sharbono, backed by the able scouting reports of Bob Brookshire, kept the team in the running all the way.

Tom Edgekoski, voted "Most Valuable Player", Cliff Powers, voted "Most Conscientious Player", and Norman Shirley, high defensive man, shared honors as the entire team put out a great effort that will long be remembered.

The fathers honored at Dads' Nite were rewarded with the Jay's 28-0 victory over the arch-rival Hi-liners.

GROWING SPORT

Pin 'em! And that's exactly what they did. The twelve Jay grapplers, coached by Wes Sharbano and encouraged by tri-captains Denny Alfstad and Ray and Ron Holzworth, did their best through the season, finishing with a 6-2 record. They captured first place in the Shanley Tournament. The ten senior lettermen and two others ranged in weight from ninety pounds to heavy weight. They were the only JHS athletic team to compete against Fargo in the 1964-1965 season, defeating them twice. Denny Alfstad and Tom Edgekoski took first in their weight classes at the regional tournaments held in Fargo. From there they progressed to the state tournament in Bismarck. We all must agree that wrestling builds men!

The Jamestown "Blue Jays" this season were coached by Mr. Brookshire. The team consisted of 13 Blue Jays which included seven seniors, and six juniors. The managers, Mike Rudy and Steve DeWald, made sure that each player was ready for action.

There were 17 scheduled games and a tournament at Carrington. The Jays took second in this tournament. The Class A Southeast Regional Tournament was held in Fargo on March 4, 5, and 6.

The Jays closed the season with a 10-9 record.

Tension mounts as a close game progresses.

McElroy Park was the scene for practice in the middle of April and the State Tournament at the end of the year. We ended up fourth in the final.

Cleo Kinzle came in second in singles at the Mandan Invitational; and Jamestown, as a group; came in third. At Bismarck, we got as far as the dual match. Of the top four, Cleo Kinzle, Dick Ebel, Joe Nogosek, and Rafael Parlade, Joe will be the only returnee.

TRACK

Way to go, Gary!

Hard work, training, the coaching of Ernie Gates with the help of the co-captains, Dwight Oxton and Pete Mariner, built the successful track team of 1964. The Jays, wearing proudly the stripes of J.H.S. participated in four main track meets---the Jamestown Relays, Devils Lake, Fargo and the South Eastern held in Jamestown. These twenty boys are the other reason why we are proud of Jamestown. Blue Jay. What are the hopes for 1965 season? "It looks promising. We should be strong in the dashes and relays."

They captured 5th at the State Meet in which competition was keen among the 16 schools represented by their most outstanding runners. In all, 45 boys throughout the season donned the proud colors of J.H.S.

COUNCIL SPONSORS

Hush Daze!!

Mr. & Miss Irresistible.

In addition to being the student governing body of the senior high, the Student Council devised and carried out money-making projects to finance a foreign exchange student.

In December, the Student Council sponsored Hush Day, for which students bought tickets. The first day the girls were to receive as many tickets as they could by making the boys speak to them. The next day things were reversed, the boys collected tickets from the girls who lacked the will power to be quiet. The night of the dance the boy and girl with the most tickets became Mr. and Miss Irresistible of J.H.S. Cassie Norton and Fred Horning were given the titles. In January 1965, the Student Council sponsored the Chinese Auction. In the spring the Student Council again put on a Talent Show, in which the gifted students competed for first place.

SENIORS PRESENT "DULCY"

Under the direction of Miss Nelson and with the cooperation of a cast of 14, the Senior Class Play, DULCY, was presented on April 26, and 27, 1965.

DRAMATISTS PRESENT

OUR TOWN

On Tuesday, December 8, the Dramatics Club presented the play, "OUR TOWN" in Thompson Auditorium. The three act play by Thornton Wilder depicts the life of a typical small town in America at the beginning of the Twentieth Century. The story takes place at Grover's Corners, New Hampshire.

The orchestra provided music and Virginia Viestenz was the organist. The stage managers were Gerald Hastings and William Chaney; the lighting was taken care of by Dennis Carlblom and James Dean. Janet Steckler assisted with the costumes.

The dramatics club also presented several one-act plays and a contest play.

As Stage Manager, Steve set the scene.

STAFF MEETS DEADLINES

What's the theme? The color? Can't even a little be told? These are a few of the questions asked of the annual staff during the year. Editor Meredith Hawkins and Layout Editor Julie Miles have added twelve pages and other "firsts" all under the watchful eye of Mr. Heil. While Marie Craft and Connie Nagel balanced the books with Mr. Kraft, the whole staff worked overtime to make Zee-Ka-Tow 1965 the best yet!

The Blue Jay News editor, Jo-Ida Hansen, and her faithful staff slaved through another year of frantically meeting deadlines, writing stories, dreaming up headlines, and proof-reading the finished product. Mrs. Prestegard was the advisor for the first time this year and Debra Madsen was named junior editor. Mr. Kraft remains as the advisor for the business and the money-making end of the staff.

MEREDITH ELECTED U.S. SENATOR

Representative Mark Andrews visited with JoEllen Tankee from Grafton and Meredith Hawkins.

We were proud this year to have Meredith Hawkins elected one of our two U. S. Senators from Girls' State. She then went on to Girls' Nation in Washington D. C. as a representative of North Dakota.

The ninety-eight girls--two from each state--spent a week in August learning more about our national government and sight-seeing around the Capital.

In June, chosen juniors from high schools in our state met to study city, county, and state governments. Some 500 girls met on the campus of the University of North Dakota in Grand Forks. Boys State was held a week later at NDSU in Fargo. The 625 fellas ended their sessions with the annual Governor's Ball. Fun? Just ask them!

THE VOICE OF JHS

R-JAYS is a new and very different activity in J. H. S. It is a radio program put on over the intercom every Friday morning. R-JAYS was started with three aims in mind; to inform the students of what is going on in their school, to create school spirit, and to break the monotony of everyday school life. R-JAYS has tried to achieve its goals by representing all the different school organizations, playing popular music, and informing the students of coming activities and projects. In the future R-JAYS hopes to improve by fulfilling more of the wants and desires of the student body and faculty.

Their main duty is running the films every Tuesday and Thursday. In order to earn a letter a student must earn 30 points. They earn these points by attendance, and by operating, and setting up the projector.

One of Art Club's major projects was the charcoal drawing at which every member had a chance to draw a portrait of one of his class mates. It proved to be very interesting. Art Club members also did the mural that was placed in the front foyer during Christmas. Pictures from students are placed on the second floor bulletin board near the Art Club room and in the library by Miss Skov. A letter can be earned by projects. Seven hundred points is the required number to earn a letter. A spring exhibit is held annually and last year's pictures were placed in Hawkin's Clinic Drug and in Ebertz Cafe.

THE MARKETEERS

DECA members were kept busy all year. They sold Blue Jay favors, the popular FANNY FARMER candy, and worked at every basketball game checking coats. These were all fund-raising activities to help finance the members' way to the state and national conventions.

DECA observed DECA Week with three window displays in town and advertising on both radio stations and in the newspaper. The bulletin board on third floor was kept up that week as it was every week.

On October 5, 1964, DECA hosted a planning meeting for the state convention. At this meeting Thelma Arneson, a senior, was elected state president and Patty Clemens, also a senior, was elected state parlimentarian. Members went to the State DECA Convention which was held April 4-5 in Devils Lake and to the National DECA Convention held in Chicago on April 29-30 and May 1.

BALANCE BEAM: There were 12 girls on the balance beam team. Each girl had to work out a routine of at least one minute to a minute and a half. The routine had to be stunts of different levels of difficulty. The team performed for different exhibitions throughout the year.

TUMBLERS: Somersaults, hand stands, and cartwheels were just a few of the stunts, which the 12 members of the tumbling team performed. Their grace and agility was shown at different exhibitions and performances.

PARALLEL BARS: The uneven parallel bars were new in gymnastics for girls this year. Ten girls were on the team. The girls combined different stunts to make a routine and performed at various exhibitions.

DRILL TEAM: The Topperettes were 16 senior high girls who did precision marching. They stepped high in their smart tail and bermuda outfits. The drill team made their debut at the halftime of the Blue Jay-Wapheton basketball game.

TRAMP: If you walked by the gym any morning this last year, you probably saw a girl in blue bouncing up and down. This was one of the six members of the trampoline team. They bounced their way at half-times and gym exhibitions.

FREE EXERCISE: Free exercise was the newest gymnastics team. The nine members worked up their routine of gymnastic stunts and performed them to music.

The purpose of the field day was to acquaint the girls with all gymnastic equipment: the parallel bars, the trampoline, the minitramp, the horse, and the balance beam. Two hundred and three girls from the surrounding towns and Jamestown participated in this field day on October 31, 1964.

. . .AND A "Y" FOR YELLS!

Your pep! Don't you dare lose it! The six JAY cheerleaders had pep to spare as they followed their teams, win or lose, to every game, 2500 miles. But there is more to cheering than games. As they struggled through their practices, Miss Paulson was always there to give advice and help them improve. To pay for bermuda football outfits and suede basketball outfits, the energetic cheerleaders gave dances, sold Blue Jay pins and banners.

YOUNGER SET

Sophomores are you with us? Yea Man! The five B-squad cheerleaders, exploding with pep, cheered on their Fledglings at home games. They assisted the A-squad in decorating for dances, and joined them on the Blue Jay Booster. Their never ending spirit will always be part of a cheerleader and an A-squad hopeful.

Peggy Baarstad, Connie Lange, Vicki Koehnen, JoAnne Taylor, Linda Christensen, Ann Funda, Connie Guthemiller.

"Bull" session with Rugby.

TWIRLERS

"There are only three of us left, but we're still trying!" was often heard by this year's twirlers. The group has grown smaller each year, but the years have increased their skill. Homecoming and basketball half time were a few of this year's activities. The regular day of practice was Thursday.

SEE WHAT SENIORS DO TO THE FACULTY?

On the second day of school Miss Nelson left us. She couldn't take the Class of '65, could she? As you can see our curse is still with her--she now travels on wheels.

Mrs. Hansen taught for the six weeks that Miss Nelson was gone. And when she returned there were harder themes and much more work--but we were glad to have her back!

FRENCH IS A PAIN IN THE NECK

Mrs. Nichols and the practice teacher from Jamestown College, Ruth Ann Williams, proved this fact about teaching French.

Seniors! What did you do to the faculty?

JHS GOES TO THE POLLS

JHS students cast their votes in a mock election here in October. About 1,000 students in the upper four classes gave the Democratic ticket a clean sweep in every office and gave President Lyndon B. Johnson a 2-1 edge over his Republican opponent Senator Barry Goldwater. Senator Burdick and Governor Guy also had smooth victories over their opponents. When our parents cast their votes a few days later, the results followed the pattern set by the high school.

Who's Lyndon Johnson?

J-DAY

J-Day activities began at 3:00 P.M. with the procession of the queen, class attendants and their escorts. Queen Joanie was escorted by Clifford Powers; senior class attendants Mary Jo Reid and Meredith Hawkins by Thomas Edgekowski and Robert Docktor; junior attendant Karen Ulrickson by Craig Townsend; and sophomore attendant Connie Lange by Thomas Gould. Gifts were presented by the senior class and the National Honor Society, after which cheers were led by the cheerleaders and a skit entitled "Pre-game Episode" was presented by the senior class.

The J-Day events were climaxed with a parade and snake dance to the football game against Shanley High School, and a "Witchcraft" dance at the high school.

A LITTLE BIT OF ITALY

A bubbly personality, an Italian beauty with "the most gorgeous long hair," a good-natured all-round girl, an Angelitta for our play, an avid American reader and eater--this is Titta. Although she SLEPT through our slumber parties, we all agreed that a more perfect ambassador couldn't have been found.

She traveled to our country from her home in Italy for her senior year, during which she lived with Kit Bleecker's family. She found North Dakota weather quite a change, but loved the snow. American food, too, appealed to her, especially "whipped cream and cookies!" Titta didn't enjoy the football games and wrestling matches, though, because she felt sorry for the players. She said, "The United States educational systems are superior to those in my country." However, she found that Italian students were more mature than students here.

Titta learns American cookery and...

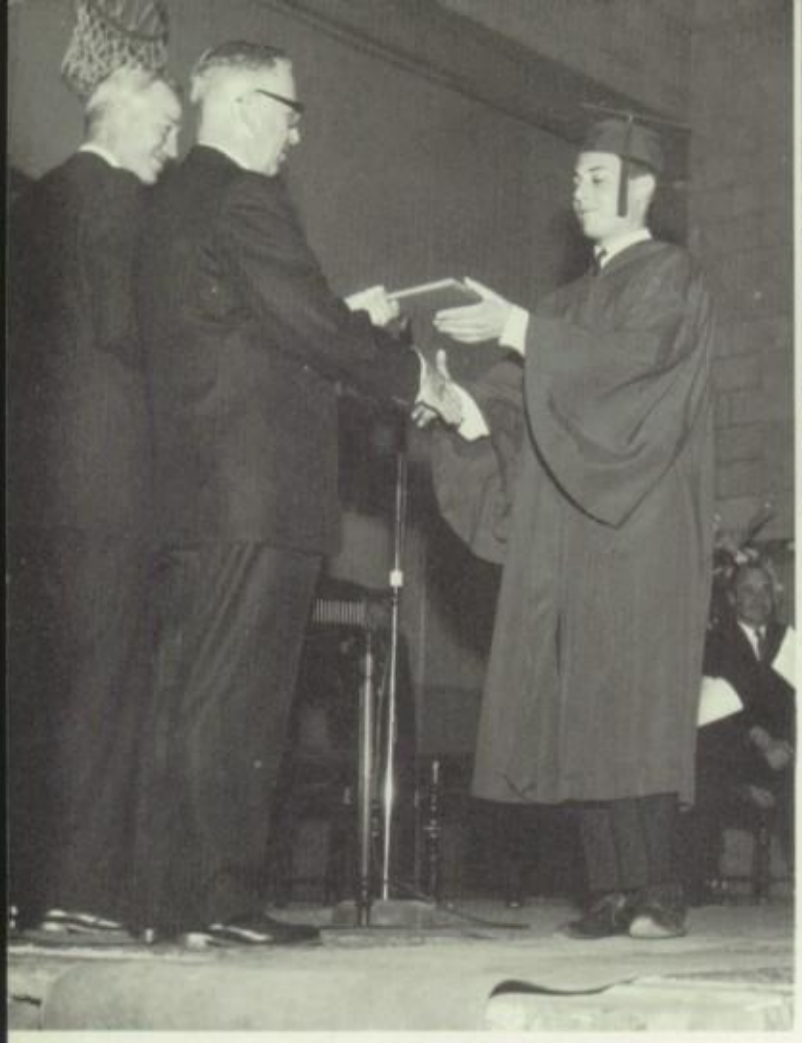
its cost!

One, two, one, ...

Corky's part of the family, too--and he has such a LOVELY voice!

Titta's American Christmas with her "new family"--Mary Gene, John, Kit, Mrs. and Mr. Bleecker.

Titta became the 13th member of a potluck. Here Mary and Linda show her the ropes.



GRADUATION

Congratulations, Jorge!

The seventy-ninth annual commencement took place May 28, 1964. Two hundred and three graduating seniors were led into the gymnasium by Danelle Churchill and Cliff Powers while the high school orchestra played "Pomp and Circumstance".

Rev. Edward J. Hoag gave the invocation and Dr. Alex C. Burr presented the address, "Marks".

Mr. Buchholtz presented the Trimble Award to Martin Hoag, Roger Schrenk, and James Talley. Jamestown College scholarships were awarded to Marritta Job and Martin Hoag. The "Alma Mater" and "Give Me Your Tired, Your Poor" were sung by the Concert Choir and the senior choir members sang the "Halls of Ivy".

Twelve years of work and fun came to a close as the Class of 1964, led by top ranking students Carol Lawrence and Roger Schrenk, received their diplomas.

PROM 1964

Judy, would you like one with Charlie?

Cliff Powers announced each couple as they descended the dock on April 11, 1964. Junior Class President Danelle Churchill and her escort Dean Gushwa led the grand march into "Deep Sea Paradise".

A mural of underwater scenes set the mood for the prom. Over 85 couples danced amid suspended fish and sunken treasure to the music of the Corvels, who played from a huge white clam shell. Punch was served by the sophomores.

Artist Dan surveys the mural.

EDITORIAL ACKNOWLEDGMENTS

It is hard to believe that this -- our last year -- has come to a close. And yet the years we have completed will live on. The "remember when's", that part of us that is J.H.S., will keep making appearances throughout our lives with "Doesn't it seem long ago?", "How I hated the homework!" or "Wasn't it grand..."

In Zee-Ka-Tow, 1965, we have tried to recreate your year, to refresh your memory. It would not have been possible for me or any other single person to make a book such as this one alone. So now I would like to give special thanks to Mr. Heil, who gave so freely of his time and advice; to Mr. Kraft, for keeping a sturdy hand on our spending and saving; and to John Schmidt, Les Joos and Parke Humphrey, who along with Donna Koch and Jenny Roe, gave up many hours to take pictures for our book.

Of course, in mentioning those who made the annual possible, I will always think of Julie Miles, our hard-working layout editor. She added an artistic touch to the year's work.

And finally a special thanks goes to all the faculty and students who patiently helped us obtain information and materials.

So to all these friends, my sincere appreciation for everything-through you have come Zee-Ka-Tow, 1965.

Brenda,

Always remember our gym class that was really fun. Sorta wish I could have finished the year. Also Bookkeeping was nuts. Quite busy I was also. Lot of fun. Remember A.H.S. always. Best of luck in the future and God bless.

Always,
"65"

Brenda,
Rime's sure gone by fast, hasn't it? We've sure had a lot of fun together. Lotza good laughs.
Best of luck in the future and may all your dreams come true!
"65" A friend always,
Sally Osborn
